

Electronic Press Kit (EPK)

Biography:

Adam Jundi is an **international DJ and music producer** whose career began in 1996 in Lebanon.

From the start, his talent and passion quickly earned him recognition in the local scene.

Alongside building his music career, Adam pursued his studies and established himself professionally as a Branding and Franchising Developer. Over the years, he has performed at prestigious venues across the globe, including **Lebanon, the UK, Dubai, France, Italy, Qatar, Egypt, Russia, Turkey, Spain, Bahrain, Greece, and Canada.**

His sets are known for their energy and versatility, blending genres such as **House, Club House, Afro House, Deep House, Disco House, Progressive, Latin, Tech House, Afro, Techno, Oldies, and Retro**—captivating audiences wherever he plays.

Adam has developed a distinct style by constantly experimenting with sounds and refining his mixing techniques. Always pushing creative boundaries, he continues to explore new ways of expressing his musical vision.

Today, he stands as one of the most in-demand DJs in the industry, admired for his artistry and backed by a loyal international fan base.
